

Weekly Family Devotional

God the Father

Watch this week's KidTown Webpisode with Jon, April and Sarah!

Scripture: Genesis 1-2:4

Parents, this is a great opportunity for creativity! Take turns reading different verses. Act out the story as a family. For those parents' with littles, feel free to tell the story rather than read it. A coloring page has been included for a visual.

Family Discussion

Parents, feel free to use these questions as conversation starters. For older kids, encourage them not to just answer the questions, but to really think about what they are answering.

1. What is the Apostle's creed? Why is it important to know what we believe?
2. What are the three persons of God? To help kids understand the Trinity better, here is a video you can watch: <https://www.youtube.com/watch?v=n-1AdUwbWLw>
3. Why did God create us (you)?
4. What is something God made that you are thankful for?
5. How is God like our Father?
6. Parents, this might be a good time to talk about what your family believes is important. (i.e. being kind or spending time together) Write it down on poster board for everyone to see.

Fun Family Activities

Print out the activity sheets provided. There is something for the whole family! Make a booklet of the creation story! Do a word search! Match the picture to the day of creation!

And God said,
"Let there be light,"
and there was light.

And God said,
"Let there be an
expanse between the
waters to separate
water from water."

And God said,
"Let the water under
the sky be gathered
to one place, and
let dry ground appear."
(...) Let the land
produce vegetation (...)

And God said,
"Let there be lights in
the expanse of the sky
(...) God made two
great lights—the
greater light to govern
the day and the lesser
light to govern the night.
He also made the stars.

Creation

God saw all that he
had made, and it was
very good. And there
was evening, and
there was morning
—the sixth day.

And God said,
"Let the land produce
living creatures
according to their kinds
(...) Then God said,
"Let us make man
in our image,

And God said,
"Let the water teem with
living creatures, and let
birds fly above the
earth across the
expanse of the sky."

Draw a line to match the creation to the day.
