

# SUMMER NIGHTS

## WITH NEIGHBORS

We want to know how you are hoping to connect with neighbors this August.

We will send encouraging emails and/or texts, as well as offer resource kits as needed to help you along. Here are some ideas to get you started:

1. Consider WHO would be a natural connection for you right now. Is there a neighbor or two you have been wanting to get to know? Are you newer to Overlake and want to meet some other OCCer's who live near you? Start there.
2. Communicate with those folks and check in on availability. Then pick your date.
3. What kind of gathering? Meal? Fire-pit? Hike or walk? Family friendly activities in the yard?
4. Sign-up! Let us know how best to connect with you to encourage and equip you.
5. Pray over your time together. Ask for God's presence to be felt. Pray that your neighbors and friends would feel a sense of belonging and connection with you.
6. Enjoy. Take a pic. And let us know about it.

### WE HAVE KITS!

#### Family Friendly Help

Grab a box from us with sidewalk chalk, table games, and water balloons. Borrow our corn hole toss, croquet set, or snow cone maker.

#### S'mores Galore

If there is no burn ban, grab a stack of wood and s'more kit for some easy conversation around the fire.

#### Wine and Dine

Come back to our resource page for a suggested menu of easy to make or buy things for a fabulous tapas experience.

For conversation, ideas, encouragement, please feel free to contact [LynneG@occ.org](mailto:LynneG@occ.org).
